The image shows a registration form for a 'Document Scanner Web Application'. The form is centered on a background of a document being scanned by a machine. The form has a light purple header with the title 'Welcome to Document Scanner Web Application'. Below the header, there are five input fields: 'User ID' (containing '1'), 'User Name' (containing 'Vibin'), 'User Gender' (containing 'Male'), 'User Contact' (containing '8549071249'), and 'User Password' (containing masked characters '\*\*\*\*\*'). A blue 'Submit' button is located at the bottom of the form.

The image shows a login form for 'DocScans'. The form is centered on the same background as the first image. The form has a light purple header with the title 'DocScans' and a subtitle 'Registered Successfully.'. Below the header, there are two input fields: 'User ID' and 'Password'. A blue 'Login' button is located below the input fields, and a light grey 'Home' button is located at the bottom of the form.

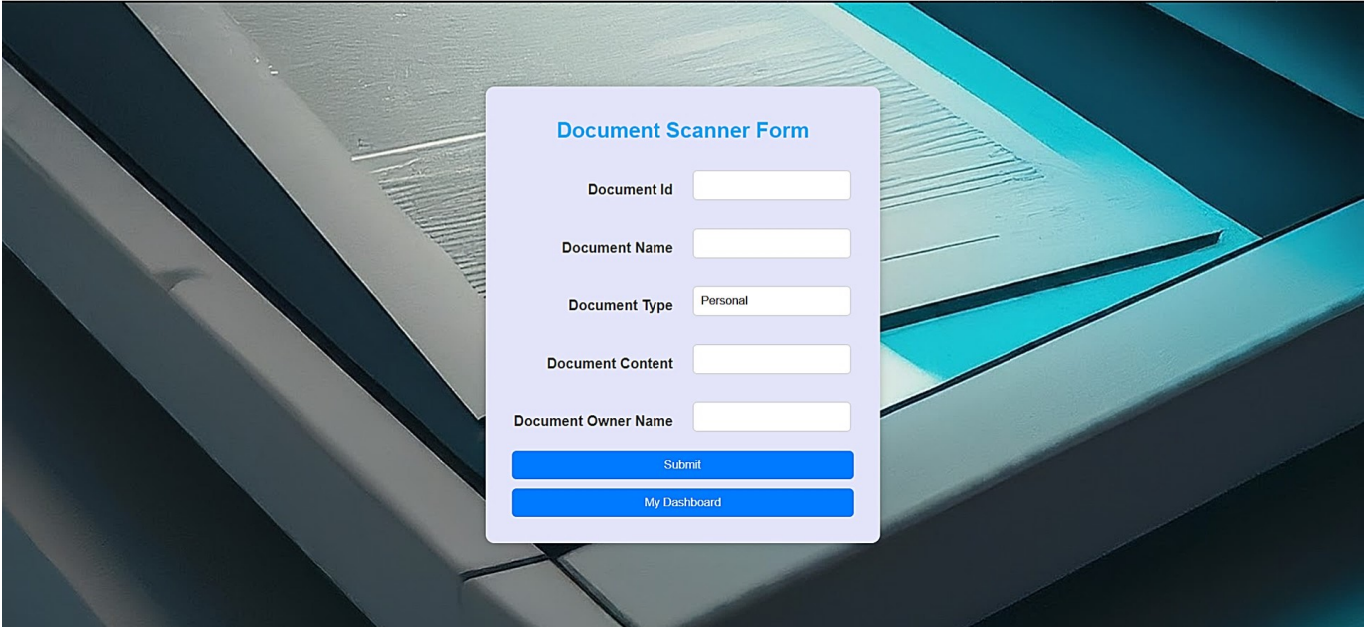

DocScans  
Registered Successfully.

The image shows a document scanner interface with a light blue overlay form. The form is titled "Document Scanner Form" and contains five input fields: "Document Id", "Document Name", "Document Type" (with "Personal" selected), "Document Content", and "Document Owner Name". Below the fields are two blue buttons: "Submit" and "My Dashboard". The background is a close-up of a document scanner's paper path.
